Lewis County LGU Letter of Support Process

This year, CNYCC is partnering with the LGU's to ensure alignment with County/community needs and initiatives.

In order to meet the engagement requirement and ultimately provide a Letter of Support, the Lewis County LGU requests that partner organizations complete the following process:

- Complete and submit a proposal abstract

Abstract: 1 page maximum. Please include the following:

- Organization Name
- Proposal Name
- List of Partnering Organizations
- Please provide an Executive Summary of your planned project
- Please identify if your project crosses into another county
- Describe how your project is in alignment with the Local Services Plan
  - Please include alignment for all counties proposed (if more than one)
- Project sustainability: how do you anticipate your project will be sustained past DSRIP funding

Abstract Submission Process:

Please submit to Patricia Fralick <patriciafralick@lewiscounty.ny.gov> and CC: RFP@cnycares.org by December 31st, 2019 with the subject line: Letter of Support Request for CNYCC RFP.

Based on the Executive Summary, your request for a Letter of Support may be forwarded to the appropriate County entity.

Post Submission:

The LGU may contact your organization for additional discussion in regards to the proposal abstract. Upon their discretion, the LGU will provide your organization a Letter of Support. Depending on volume, it is anticipated that there will up to a four week turn around period for a Letter of Support.
