2ND ANNUAL
TRANSITIONS IN CARE SYMPOSIUM
A REGIONAL THINK TANK ON POPULATION HEALTH & TRANSITIONS
Tuesday, June 9
8 a.m. to 4:30 p.m.
(Registration and continental breakfast 7:15 - 8 AM)
Holiday Inn, Electronics Parkway, Syracuse, NY

SYMPOSIUM PURPOSE
The Interprofessional Transitions in Care Symposium is a one-day event focusing on topics relevant to individuals involved in a patient’s journey across the continuum of care: inpatient facility, interfacility and facility to home.

This symposium is designed to convene providers, leaders of community-based organizations, payors and others who are actively developing strategies and tactics to improve the care transition process, reduce potentially preventable hospitalizations and ED visits and address population health management.

Presenters include national, regional and local innovators from across the care continuum who will share their insights and expertise on person-centered, effective practices and methods for overcoming transitional care barriers.

Keynote Speaker
Amy Boutwell MD, MPP
is a senior physician consultant to
the National Coordinating Center for the Centers for Medicare and Medicaid Services. She is involved in community-based care transition in all 50 states.

Dr. Boutwell founded Collaborative Healthcare Strategies to advance the opportunities created by the Affordable Care Act, the CMS Center for Innovation and the Partnership for Patients. Collaborative Healthcare Strategies’ goal is to engage thousands of communities across the nation to work across settings and sectors to improve healthcare delivery.

Dr. Boutwell is a graduate of Stanford University, Brown University School of Medicine and the Harvard Kennedy School of Government.

She is a practicing physician at Newton-Wellesley Hospital, attends on the medicine teaching service at Massachusetts General Hospital and is an instructor in medicine at Harvard Medical School.

WHO SHOULD ATTEND
Acute and community-based healthcare service providers, nurses, physicians, nurse practitioners, physician assistants, case managers, social workers, pharmacists, physical therapists, occupational therapists, dietitians, administrators and other individuals interested in improving person-centered quality healthcare services and supports for persons who transition from one healthcare setting to another.

Accreditation SUNY Upstate Medical University is accredited by the Accreditation Council for Continuing Medical Education (ACGME) to provide continuing medical education for physicians.

The SUNY Institute for Continuing Education is an approved provider of continuing nursing education by the New Jersey State Nurses Association, an accredited approver by the American Nurses’ Credentialing Center’s Commission on Accreditation. Provider Code: NYP260-6/30/17.
