

COVID-19 Referral Assessment- In the Unite Us Platform

In an effort to ensure that partners have enhanced ability to connect clients to accurate resources during the COVID-19 pandemic, Unite Us has added a COVID-19 Referral Assessment to the platform.

This document will outline the steps you can take to access this assessment.

Accessing the COVID-19 Referral Assessment:

Step	Instructions
1	<p>Locate the specific client by going to the Clients tab or using the Search feature</p> 
2	<p>Click the Client's name/record to be taken to their Face Sheet</p> 
3	<p>Select the Forms tab and review the list to locate the appropriate assessment</p> 
4	<p>Complete the form- and get referral suggestions based on the client's responses</p>
